PRAVISH M

AI & DATA SCIENCE STUDENT | DATA SCIENCE | AI/ML | GENERATIVE AI

linkedin.com/in/pravish-m-870820321 | pikachu[email placeholder] | 9361854660 | Coimbatore, Tamil Nadu

PROFESSIONAL SUMMARY

Motivated Artificial Intelligence and Data Science student with hands-on experience in Generative AI, Machine Learning, Data Science, and AI application development. Skilled in Python, machine learning, Streamlit, API integration, prompt engineering, and LLM-based applications. Completed a Generative AI internship at Nandha Infotech, Coimbatore, with practical exposure to AI chatbots, OpenAI, Gemini API, LangChain, and AI application development.

EDUCATION

B.Tech — Artificial Intelligence & Data Science | United Institute of Technology, Coimbatore

3rd Year | CGPA: 8.15 | 10th: 79% | 12th: 79%

TECHNICAL SKILLS

Programming	Python, C, HTML
Data Science	NumPy, Pandas, Data Cleaning, EDA, Data Visualization, Statistics
Machine Learning	Scikit-learn, Classification, Regression, Clustering, Model Evaluation
Generative AI	LLMs, Prompt Engineering, Gemini API, OpenAI API, LangChain
Development	Streamlit, API Integration, AI Chatbot Development
Tools	VS Code, Git, GitHub, Google Colab

INTERNSHIP EXPERIENCE

Generative AI Intern — Nandha Infotech, Coimbatore | June 2026 – July 2026

- Worked on Generative AI and practical AI application development using Python and Streamlit.
- Used Google Gemini API, OpenAI API and LangChain for LLM-based application development.
- Practiced prompt engineering, API integration, testing, debugging and AI output refinement.
- Explored AI chatbot, document-processing and image-generation concepts and prepared technical documentation.

KEY PROJECTS

End-to-End Customer Intelligence & Recommendation System — Python | Pandas | Machine Learning | Streamlit

- Built a data-driven system for customer behaviour analysis, segmentation, insights and personalized recommendations.

Student Placement Prediction & Skill Analysis System — Python | Scikit-learn | Pandas | Streamlit

- Developed a placement prediction application using academic, internship, project and skill-related attributes, with student skill analysis.

AI Resume Analyzer — Python | Generative AI | NLP | Streamlit

- Created an AI application to extract resume information, identify skills, compare job requirements and suggest missing skills.

AI Meeting Minutes Generator — Python | Generative AI | Streamlit

- Developed an AI application to convert meeting content into structured summaries, decisions, key points and action items.

AI Research Paper Assistant — Python | Gemini/OpenAI | LangChain | FAISS | Streamlit

- Built a document-based AI assistant supporting PDF upload, extraction, question answering, summarization and key-point generation.

CERTIFICATIONS & TRAINING

- Generative AI Internship / Internship Completion Certificate — Nandha Infotech
- Data Science Certification / Course
- Full Stack Development Internship Certificate — June–July 2026

CORE STRENGTHS

Problem Solving • Quick Learning • Critical Thinking • Communication • Teamwork • Self-Learning • Technical Documentation

CAREER INTERESTS

Data Science | Machine Learning | AI/ML Engineering | Generative AI | AI Application Development | Data Analytics
